Provider Profile

Information provided by the provider describing their agency:

The Kennedy Center, Inc., established in 1951, provides comprehensive services to individuals with disabilities. The Kennedy Center has been CARF accredited since 1981 and has consistently received the highest level of accreditation possible.

Our organization serves over 900 individuals per day, from birth to seniors. Individuals who have been diagnosed with intellectual disabilities, physical disabilities, Down syndrome, Fragile X, Alzheimer's, acquired brain injury, mental health disorder, autism spectrum disorder, and other cognitive disabilities, all receive quality person-centered planning and programming that meets their specific need areas.

All individuals are afforded the opportunity to choose the program and support services that best match their specific needs and which will promote the necessary skill acquisition for a person to excel toward living a fully integrated life. Our organization can offer a wide range of services tailored to your loved one which may include, but are not limited to, group day support options and group employment options, individualized supported employment, residential group homes, in-home supports and training, therapeutic support services (art, music, and recreation), transportation planning and training, behavioral support services, etc. In addition, we offer travel training through our Mobility Services program to all individuals across the state, free of charge.

The opportunities that The Kennedy Center has to offer are ever changing as we custom design our supports and services to meet the changing needs of the individuals we serve. We share a common goal: Ensuring that all individuals receives the comprehensive services and supports necessary to enable them to reach their desired outcomes.
